Un design tutto nuovo per le ciotole in polycarbonato, materiale che le rende particolarmente resistenti agli urti. Queste ciotole colorate sono perfette per servire frutta, insalate, snack e dessert. Il fondo, appositamente rinforzato per garantire stabilità, le rende ancora più resistenti e adatte all'uso quotidiano. La loro superficie, totalmente liscia, agevola il lavaggio, effettuabile anche in lavastoviglie.

A whole new design for polycarbonate bowls, a material which makes them highly impact resistant. These colored bowls are perfect for serving fruit, salads, snacks and desserts. The base, which is specially strengthened to ensure stability, makes them even more resistant and suitable for everyday use. The totally smooth surface facilitates cleaning by hand or in the dishwasher.
